About

I am a choreographer, dancer, and director of the Hani Dance Project. I love to work with international dancers/artists from all over the world to combine different cultural perspectives and beliefs through sharing intercultural ideas and viewpoints to create organic and innovative art pieces. I essentially explore concepts such as power, dynamism, spirit, and mind. HANI DANCE is a Movement Art Company that, create images, paintings, sculpture, landscapes, and art that moves on stage, using tools such as nude art, contemporary dance, and visual art.
